SKILLS

Programming Languages: Java, SQL, HTML, CSS, JavaScript
Frameworks: ReactJS, Node.js, Express.js, Bootstrap, Tailwind CSS
Databases: MySQL, MongoDB
Tools: VS Code, IntelliJ IDEA, Git, GitHub, Postman

EDUCATION

•Maulana Azad National Institute Of Technology, Bhopal *Present*
Bachelor of Technology in Mechanical Engineering CGPA: 8.14

•Kendriya Vidyalaya Berhampur *2021*
Central Board of Secondary Education, Odisha Percentage: 85.4

•Kendriya Vidyalaya Digapahandi *2019*
Central Board of Secondary Education, Odisha Percentage: 92.8

OPEN SOURCE CONTRIBUTION

– Contributed to **TheAlgorithms/Java** – Added unit tests for **TopologicalSort**, including tests for **empty graph** and **single-node graph** scenarios.

PERSONAL PROJECTS

•Personal Portfolio Website
Tech Stack: React.js, **HTML**, **CSS**, **JavaScript**, Formspree API Live

– Built a **responsive** portfolio using React with **theme toggle**, **resume download**, and smooth navigation.
– Integrated **Formspree API** for email-based contact form submissions.
– Ensured cross-device compatibility using responsive HTML/CSS design.

•Chrome Extension: Link Saver
Tech Stack: HTML, **CSS**, **JavaScript** Live

– Developed a Chrome extension to **persist saved links** using local storage.
– Designed a minimal UI for quick and efficient link management.
– **Deployed** on Netlify to showcase build and deployment skills.

•Island TM – Travel Website
Tech Stack: HTML, **CSS**, **JavaScript** Live

– Built a visually engaging travel-themed website using HTML/CSS/JS.
– Applied **responsive** web design for seamless device compatibility.
– **Deployed** the website live on Netlify.

POSITIONS OF RESPONSIBILITY

•Executives Head, Aaroha *2025 - Present*

– Leading a team of 30 volunteers to ensure the smooth functioning of the society's initiatives, event logistics, and internal coordination.

•Academics and Overall Developer Head, Aaroha *2024 - 2025*

– Accountable for managing the academic progress of over 50 slum students and organizing events such as educational seminars.

ACHIEVEMENTS

•Earned the **GitHub Pull Shark** badge in GitHub.

•Solved **350+** programming challenges across platforms such as LeetCode, GeeksforGeeks.
